

2009 Roundtable Discussion

For All Foreign Students

This roundtable discussion will mainly focus on human interactions from different cultural backgrounds. We have invited three wonderful speakers with specialties in different fields. Topics include gender issues, cultural adjustment, and communication skills. We hope you will gain new perspectives about cross-cultural communication, as well as build successful interpersonal relationships with different groups of people. Most of all, we hope you enjoy living in Taiwan!!

© **Topic** : Cross-cultural communication

© **Time** : Oct. 26 Monday / 12:00~ 2:00
